

# Monster Movie

[Fred Thomas](#)

If it's gonna be a monster movie then make it ugly  
In the scenes the demons see  
What scares them the most is the way that no one leaves  
In a whisper on a front porch  
"Could you be more? Could you be more for me?"  
In a whisper on a front porch  
"Could you be more? Could you be more for me?"  
It's not enough. From a memory of an unclear time  
When your parents were the only people  
And the sunlight on your old block  
And the parking lots where you learned how to get free.
