

Whenever, Wherever (Nick Talos Remix)

[Shakira](#)

Lucky you were born that far away so
We could both make fun of distance
Lucky that I love a foreign land for
The lucky fact of your existence Baby I would climb the Andes solely
To count the freckles on your body
Never could imagine there were only
Ten million ways to love somebody Can't you see
I'm at your feet Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, hereunder
You'll never have to wonder
We can always play by ear
But that's the deal my dear Lucky that my lips not only mumble
They spill kisses like a fountain
Lucky that my breasts are small and humble
So you don't confuse them with mountains Lucky I have strong legs like my mother
To run for cover when I need it
And these two eyes that for no other
The day you leave will cry a river At your feet
I'm at your feet Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
Thereover, hereunder
You'll never have to wonder
We can always play by ear
But that's the deal my dear Think out loud
Say it again
Tell me one more time
That you'll live
Lost in my eyes Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, hereunder
You've got me head over heels
There's nothing left to fear

If you really feel the way I feel
Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, hereunder
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel
