

My Hero Love

Frankie J

Genre: R&B

RIFF-it good.

Listen while you read!

All I've seen and feel all your struggle

can't hide the scares round the .

good night only in your trouble

i wanna rescue you

another .feels in the heartbreaks

.just like an earth quake

. in my heart let me beating

i think i need you tooI don't wanna be, i dont wanna be scared of nothing

i just wanna know, i just wanna know that you love me

i just wanna tell that you aint' here for nothing

there's no need to be afraid,

don't be afraid come on let's fly away

and you can see the . from up above

you can face all the heartaches .this days

and crushing you down

let me have 'cause you're my hero lovethis love is standing for something

feelings can't stop us from nothing

you can . the girls and

but our .is way too strong

even when i seem it's all gone

you . just i . love can't stop us nowi thought that you .

do you .and save the day

and then you told me that i made you feel the same

and now we stay here for the truth

and the truth is all of you

i don't need no .that you love me

and you can see the . from up above

you can face all the heartaches .this days

and crushing you down

let me have 'cause you're my hero love
