

Tell Me If You Wanna Go Home

Keira Knightley

Maybe

You don't have to smile so sad
Laugh when you're feeling bad

I promise I won't

Chase you

You don't have to dance so blue

You don't have to say I do

When baby you don't

Just tell me

The one thing you never told me

Then let go of me

Hell just throw me

Maybe if you wanna go home

Tell me if I'm back on my own

Giving back a heart that's on loan

Just tell me if you wanna go home

Oh maybe

You don't have to kill so kind

Pretend to ease my mind

When baby you won't

Oh sugar

You don't have to be so sweet

I know who you're going to meet

Don't say that I don't

So maybe

I won't let your memory haunt me

I'll be sleepwalking

With the lonely

If you're taking me home

Tell me if I'm back on my own

Giving back a heart that's on loan

Just tell me if you wanna go home

Tell me if you wanna go home

Cause I'm just not sure

Tell me if I'm back on my own

How to get back there

Giving back a heart that's on loan

And I just can't bear

Tell me if you wanna go home

If you're not there
Ooh ooh ooh ooh
Baby
If you're taking me home
Tell me if I'm back on my own
Giving back a heart that's on loan
Tell me if you wanna go
Wanna go, wanna go, wanna go, wanna
Cause I'm just not sure
How to get back there
And I just can't bear
If you're not there
Tell me if you wanna go home
Cause I'm just not sure
Tell me if I'm back on my own
How to get back there
Giving back a heart that's on loan
And I just can't bear
Just tell me if you wanna go home
Wanna go, wanna go, wanna go, wanna
Wanna go, wanna
Wanna go, wanna
