Doing Time

Jumbonics

I remember times I had Some were happy, some were sad Memories me and my partners in crime Throwin' up a thousand times I got through it, I feel fine I went to school and did my time In a sense I'm out, in a sense I'm free Today, what I wanna be Fun was cartoons Saturdays Fun was staying up past eight Lame was trying to fit in Lame was the wrong crowd let me it I got through it, I feel fine I went to school and did my time In a sense I'm out, in a sense I'm free Today, what I wanna be Yeah, just be together With who you are and who you know You gotta remember Where you've been, where you wanna go I never did homework after school Did all the things I thought were cool Went out every Friday night I still do and I'm alright
