Out on a back road.

Running against time.

Searching for answers,

Whatâ€™s in your mind.

Nothing is easy.

Simple is hard.

Straightforward solutions.

Seems the longest yard.

You gotta keep running, itâ€™s the wrong way. You gotta do

something

Thereâ€™s a hard rain coming

Out on a back road

She begins to pray

She had a baby

Her momma locked her away

Nothing is easy.

Simple is hard

Reckless solutions

Seems the only card

Shes gotta keep running, itâ€™s the wrong way. Shes gotta do

something---Thereâ€™s a hard rain coming!

Out on a back road

Stranded in a maze

The only only solution

Runaway

Nothing is easy

Simple is hard

Reckless solutions

Seemed the only card

They gotta keep running, itâ€™s the wrong way. They had to  
do something. Thereâ€™s a hard rain coming
