

Last Time

New Edition

[Ralph Speaks] Last time[Verse 1]

I never had a love I couldn't handle but lately since I lost my baby
I cried about it all the time can't let it go and I don't know what to do no more[Chorus]

The last time I'll ever love someone again

Give my heart like that again

That was the last time I'll ever trust somebody else I don't need nobody else[Verse 2]

There's something bothering me today

I haven't heard your voice on my phone (ooh ooh ooh oh)

My brother said he saw you and you didn't even ask for me at all

I don't even know why you let me, my heart is aching

Oh I'm so lost for words I can't explain how I'm feelin'[Chorus][Bridge]

Lately I've been missing you everyone's been seeing you

Why should I pretend my heart's been broke again

It makes no sense to claim you know

Where were you when I was down

It doesn't even matter at all everyone has to fall[Chorus]
