I've Heard That Song Before

Steve Lawrence

It seems to me I've heard that song before
It's from an old familiar score I know it well, that melodyIt's funny how a theme recalls a favorite dream
Dream that brought you so close to meI know each word because I've heard that song before
The lyrics said, "Forevermore" Forevermore's a memoryPlease have them play it again
And I'll remember just when I heard that lovely song beforeIt's funny how a theme recalls a favorite dream
Dream that brought you so close to mePlease have them play it again
And I'll remember just when I heard that lovely song before
