

# I've Heard That Song Before

[Steve Lawrence](#)

It seems to me I've heard that song before  
It's from an old familiar score I know it well, that melody  
It's funny how a theme recalls a favorite dream  
Dream that brought you so close to me I know each word because I've heard that song before  
The lyrics said, "Forevermore" Forevermore's a memory  
Please have them play it again  
And I'll remember just when I heard that lovely song before  
It's funny how a theme recalls a favorite dream  
Dream that brought you so close to me  
Please have them play it again  
And I'll remember just when I heard that lovely song before
