

# Say Hey (I Love You)

## KIDZ BOP Kids

This one goes out to you and yours  
Worldwide

I say, hey, I'll be gone today  
But I'll be back around the way  
It seems like everywhere I go  
The more I see, the less I know

But I know one thing  
That I love you  
I love you, I love you, I love you

I've been a lot of places all around the way  
I've seen a lot joy and I've seen a lot of pain  
But I don't wanna write a love song for the world  
I just want to write a song about a boy and a girl

People on the corner always callin' my name  
And the kids on the corner playin' ghetto games  
When I saw you gettin' down, well, I hoped it was you  
And when I looked into your eyes I knew it was true

I say, hey, I'll be gone today  
But I'll be back around the way  
It seems like everywhere I go  
The more I see, the less I know

But I know one thing  
That I love you  
I love you, I love you, I love you

Now I'm not a highly metaphysical man  
But I know when the stars are aligned, you can  
Bump into person in the middle of the road  
Look into their eyes and you suddenly know

Rockin' in the dance hall, movin' with you  
Dancin' in the night in the middle of June  
My momma told me don't lose you

'Cause the best luck I had was you

I say, hey, I'll be gone today  
But I'll be back around the way  
It seems like everywhere I go  
The more I seem, the less I know

But I know one thing  
That I love you  
I love you, I love you, I love you

And I said rockin' in the dance hall, movin' with you  
I said, hey momma, hey momma, close to you  
Rockin' in the dance hall, movin' with you  
I said, hey momma, hey momma, hey momma  
Hey momma, hey momma, hey momma  
Hey momma, hey momma

My momma told me don't lose you  
'Cause the best luck I had was you  
And I know one thing that I love you

I say, hey, I'll be gone today  
But I'll be back around the way  
It seems like everywhere I go  
The more I see, the less I know

I say, hey, I'll be gone today  
But I'll be back around the way  
It seems like everywhere I go  
The more I see, the less I know

But I know one thing  
That I love you  
I love you, I love you, I love you  
I love you, I love you, I love you

Rockin' in the dance hall, movin' with you  
I said, hey momma, hey momma, hey momma  
Hey momma  
Rockin' in the dance hall, movin' with you  
Come on, hey momma, hey momma, I hope it's you
