Next Time You See Me

Grateful Dead

Next time you see me things won't be the same
Next time you see me things won't be the same
If it hurts you, my darling, you only got yourself to blameWell, it's true, true saying, all that shines is not gold
Well, it's true, true saying, all that shines is not gold
Like the good book says, you gotta reap what you sowWell, you lied, cheated, whoa, for so long
Well, you lied, cheated, whoa, for so long
You were wrong to do it, woman, and another queen is on your throneNext time you see me things won't be the same
Next time you see me things won't be the same
If it hurts you, my darling, you only got yourself to blame
