

Above The Law

Bad Meets Evil

[INTRO]The poor stays poor the rich get richer its just so disproportionate.
Get outta here!

[HOOK]Sometimes life seems so unfortunate, that's why I don't give a shit
The poor stay poor, the rich get richer, it's just so disproportionate
You don't know just what I go through, that's why I would rather show you

Just how far that I can take it, every rule I'm breaking it

[EMINEM]Tearable but not rippable, invincible, I hung invisible

Fuckin' mistletoe, over the world and stuck my ass up under it

Now pucker up them lips and kiss it hoes, here we go

Bad and Evil, so you know how this'll go

The competition's miserable, we stomp them bitches, this is no, joke

Goin' overboard, like someone threw us off the boat, choke

Cough from all the smoke I'm tryna stay on fire

So you know if I hate fuckin' water-sprinklers I don't love the hose

Someone let the cat out the bag, now it's time to stuff his face

Back in that bitch, smother that little mothafucka 'til it suffocates

Who? You! Had long enough of a wait

Why are they tryin' to be so secretive bad and evil is reunited hey!

Came back to annihilate the game's in dire straights,

As I await, word of Satan as I drop,

Fall to my knees before this Ouija board,

And I pray, now I lay me down to sleep

I do this shit in my sleep, I'm sleepin' now imagine if I awake

I'm champ bitch, I'll never taste the canvas

Could never be no damn wuss or pussy, never mooshy, so you can't squoosh

No way near toosh in fact if I jump out a bush

These sneak attack's the only way I say I ambush

Outlandish these words are weapons that I brandish

Standoffish, the hoes, keep your hands off this

Can't top it, so what the fuck would I sugarcoat it for?

Law, fuck protocol, I'd holla at this ho, but now my throat is sore

[HOOK]Sometimes life seems so unfortunate, that's why I don't give a shit

The poor stay poor, the rich get richer, it's just so disproportionate

You don't know just what I go through, that's why I would rather show you

Just how far that I can take it, every rule I'm breaking it

[ROYCE]Baby I'm lawless, you couldn't burn me if you threw acid on me

I'm at your homey, I'm at your home ready to spray you

While you nappin' homie Have everything on and around your mattress

Lookin' like the word in front of a matrimony, you high? Thug yeah
Go ?head jump, no matter how high you get
You gon? come up short like Spud Webb
My DUI?s get waved like sayin' bye
Still ridin' with no L?s like James Todd, can?t change I
I thank God for my safe thinking
Last time I was safe thinkin me and my niggas was doin' a bank job
I stay violent, y'all go the peace route
You got a mouth like Kanye, I'll knock your whole bottom row of teeth out
No disrespect to Mr. West, shit I?m just nice with mine
And this just rap, I?m just like Ricky Hatton, I just like da line
These weak rappers wanna set us up, they never tough
They ask me for a hook, I tell ?em left or right, head or gut?
What y'all messin? with is a nigga that?ll leave fubar
Fucked up beyond all recognition
Y'all are rock stars, I?m the opposite
I could just throw a rock and hit a star for the fuck of it
Partner you not hard up-outta ya high bars
Beef has left you prayin' right? Like Allah hu Akbar!
Let?s go, when I leave y'all shot, you ain?t gon' be on your metro
In a bad area that call drop
[HOOK]Sometimes life seems so unfortunate, that?s why I don?t give a shit
The poor stay poor, the rich get richer, it?s just so disproportionate
You don?t know just what I go through, that?s why I would rather show you
Just how far that I can take it, every rule I?m breaking it
