

Desire

The Black Lillies

Standin in the light out on the hill
The Sun in your hair, the whole world stood still
Silhouette on a blood red sky
I could see the fire burning in your eyes, own the fire burnin in your eyes
Couldâ€™ve heard your heart beating from a mile away
Take it all in, things words canâ€™t say
Sunset falling on a bright eyed dream, I guess everythingâ€™s not what it seems
No everythingâ€™s not what it seems

But desire..
oh desire
You can look away but it still remains, you canâ€™t hide that burnin flame..
of desire.

The prettiest thing that Iâ€™ve ever seen
Crashed in like a storm and gone like a dream
We took it all in and we drank our fill
Now I hold you in my heart and I always will
Iâ€™ll hold you in my heart and I always will

Like desire..
Oh desire..
You can walk away but it still wonâ€™t change, you canâ€™t hide that burning flame..
of desire

The coldest thing that Iâ€™ve ever known, was life without you in this world alone
Thereâ€™s a picture of you burned in my mind
and I carry it with me till the end of time, i carry it with me till the end of time

and this desire
oh desire
you can look away but it still remains, you canâ€™t hide that burning flame
walk away but it still wonâ€™t change, you canâ€™t hide that burning flame
turn away but it still remains, you canâ€™t hide that burning flame
of desire
