

When the Hurt Is Over (Maybe the Love Will Flow)

Mighty Sam McClain

baby you hurt me
and i know that i've hurt you

we've both promised
to our ways be true

we'd let our love
get lost in the rain

now we are waiting
Oh for love to live again
Holding on
To what was before
Oh lord i see
Why did we have to let it go
Now the only thing
That i know
The only thing
That i think i'd know
When the hurt is over
Lord, maybe love will flow

Trying to do
What we know we must
When you love somebody
You know you got to trust
I think about it
again and again
I say that i will baby
Oh but i don't know if i can
You say you're sorry
Oh i say i am too
then we turn round and round
then again we'd be untrue
that is why, the only thing
that i know
the only thing baby
that i know
when the hurt is over

maybe love will flow

 Guess by chance
 We'd work things out
 we both will know
 what love is all about
 don't move so quickly
 Oh it don't move too fast
 if you got a good love
 Oh you ought to try to make again
 i'd know i hurt you
 lord you broke my heart
 and now we are sad baby
 because our love is apart
 that is why i say to you, the only thing
 that i know
 the only thing baby, i think i know
 Oh baby
 When the hurt is over
 Lord maybe love will flow

I said when the hurt is over, baby
 And all the pain is gone

Maybe i will learn how to love again y'all

 When the hurt is over, over
 Lord when all the pain is gone*3
