Something More

Kristen Merlin

Monday, hard to wake up
Fill my coffee cup, I'm out the door
Yeah, the freeway's standing still today
It's gonna make me late, and thats for sure
I'm running out of gas and out of time
Never gonna make it there by nine

[Chorus:]
There's gotta be something more
Gotta be more than this
I need a little less hard time
I need a little more bliss
I'm gonna take my chances
Taking a chance I might
Find what I'm looking for
There's gotta be something more

Five years and there's no doubt
That I'm burnt out, I've had enough
So now boss man, here's my two weeks
I'll make it short and sweet, so listen up
I could work my life away, but why?
I got things to do before I die

[Chorus:]
There's gotta be something more
Gotta be more than this
I need a little less hard time
I need a little more bliss
I'm gonna take my chances
Taking a chance I might
Find what I'm looking for
There's gotta be something more

Some believe in destiny, and some believe in fate
I believe that happiness is something we create
You best believe that I'm not gonna wait
'Cause there's gotta be something more

I get home 7:30 the house is dirty, but it can wait

Yeah, 'cause right now I need some downtime
To drink some red wine and celebrate
Armageddon could be knocking at my door
But I ain't gonna answer that's for sure.
There's gotta be something!

[Chorus:]
There's gotta be something more
Gotta be more than this
I need a little less hard time
I need a little more bliss
I'm gonna take my chances
Taking a chance I might
Find what I'm looking for
There's gotta be something more
