Nirvana

Won't you believe it? It's just my luck
Won't you believe it? It's just my luck
Won't you believe it? It's just my luck
Won't you believe it? It's just my luckNo recess
No recess
No recessWon't you believe it? It's just my luck
Won't you believe it? It's just my luck
Won't you believe it? It's just my luck
Won't you believe it? It's just my luckNo recess
No recess
No recessYou're in high school again
You're in high school again
You're in high school again
You're in high school againYou're in high school again
You're in high school again
You're in high school again
You're in high school againNo recess
No recess
No recess
