Won't you believe it? It's just my luck  
Won't you believe it? It's just my luck  
Won't you believe it? It's just my luck  
Won't you believe it? It's just my luckNo recess  
No recess  
No recessWon't you believe it? It's just my luck  
Won't you believe it? It's just my luck  
Won't you believe it? It's just my luck  
Won't you believe it? It's just my luckNo recess  
No recess  
No recessYou're in high school again  
You're in high school again  
You're in high school again  
You're in high school againYou're in high school again  
You're in high school again  
You're in high school again  
You're in high school againNo recess  
No recess  
No recess
