Little Johnny

Lilly Wood & The Prick

If I wasn't that way,
you wouldn't know of try,
If I had to try there'll be no where to go.
But if is no where to go,
Little Johnny's gonna cry,

If little Johnny's gonna cry,
there ll be no where to go.
But if is somewhere to go,
Little Jonnhy's gonna smile.
If Little Johnny smiles there ll be somewhere to go

[Chorus]
Right there, is somewhere to go, somewhere to go

If, you'll know which way to go,
'Cause the end of the road,is not that far
The road, the road,
is not a long road,
no it's not a long road

[Chorus]
