

# Judith (Renholder mix)

## A Perfect Circle

You're such an inspiration for the ways  
That I'll never ever choose to be  
Oh so many ways for me to show you  
How the savior has abandoned you  
    Fuck your God  
    Your Lord and your Christ  
        He did this  
        Took all you had and  
        Left you this way  
    Still you pray, you never stray  
        Never taste of the fruit  
    You never thought to question why

    It's not like you killed someone  
It's not like you drove a hateful spear into his side  
    Praise the one who left you  
    Broken down and paralyzed  
        He did it all for you  
        He did it all for you

    Oh so many many ways for me to show you  
    How your dogma has abandoned you  
    Pray to your Christ, to your god  
        Never taste of the fruit  
        Never stray, never break  
        Never

    ---  
    choke on a lie  
Even though he's the one who did this to you  
    You never thought to question why

    Not like you killed someone  
It's Not like you drove a spiteful spear into his side  
    Talk to Jesus Christ  
    As if he knows the reasons why  
        He did it all for you  
        Did it all for you  
        He did it all for you..
