She Caught the Katy and Left Me a Mule to Ride

Taj Mahal

She caught the katy
And left me a mule to ride
She caught the katy
And left me a mule to ride

Well, my baby, caught the katy
She left me a mule to ride
The train pulled out
And I swung on behind
I'm crazy 'bout her
That hard headed woman of mine

Man, my baby long
Great god, she mighty, she tall
You know my baby long
Great god, she mighty, my baby tall

Yeah, my baby she long
My baby she tall
She sleepin' with her head in the kitchen
And her big feet's out in the hall
An' I'm still crazy 'bout her
That hard headed woman of mine

Well, I love my baby
She's so fine
I wish she'd come
And see me some time

If she don't believe I love her ?
Look, what a hole I'm in
If she don't believe I'm sinking
Look what a shape I'm in

She caught the katy
And left me a mule to ride
She caught the katy
And left me a mule to ride

Well, my baby caught the katy

Left me a mule to ride
The train pulled out
And I swung on behind

I'm crazy 'bout that
The hard headed woman
Hard headed woman of mine
Huh-huh, huh-huh
