Let My Baby Stay

Mac DeMarco

I was made to love her, been working at it
Half of my life, I've been an addictAnd she's been good to me
Far as I can tell she's happy, livin' with her MackySo please don't take my love away
Let my baby stay, let my baby stayPlease don't take my love away
Let my baby stay, let my baby stayAnd where would I be, feeling lonely
Separated from my one and onlyAnd what's there left to say
Far as I can tell that day could be on its waySo please don't take my love away
Let my baby stay, let my baby stayPlease don't take my love away
Let my baby stay, let my baby stay[scat singing]
