

Let My Baby Stay

[Mac DeMarco](#)

I was made to love her, been working at it
Half of my life, I've been an addict And she's been good to me
Far as I can tell she's happy, livin' with her Macky So please don't take my love away
Let my baby stay, let my baby stay Please don't take my love away
Let my baby stay, let my baby stay And where would I be, feeling lonely
Separated from my one and only And what's there left to say
Far as I can tell that day could be on its way So please don't take my love away
Let my baby stay, let my baby stay Please don't take my love away
Let my baby stay, let my baby stay [scat singing]
