

Me Liquor and God

Night Beds

I've never been in love for myself
I've never been in love for, for you
I've never been in love for myself
I've never been in love, for you'Cause it's me liquor and god
 me liquor and god
 me liquor and god
 me liquor and godIt's me liquor and god
 me liquor and god
 me liquor and god
 me liquor and god???
 drifting your hands
 blunt conversations
 no explanations
 Never lived enough for myself
I've always been in love for your shelf
 You've never lived enough this??
I've never lived enough for myselfme liquor and god
 me liquor and god
 me liquor and god
 me liquor and godme liquor and god
 me liquor and god
 me liquor and god
 me liquor and god???
 drifting your hands
 blunt conversations
known explanationsand I can use it all night
 and I'd be damned if i do
 and I'd be damned
I keep dreaming 'bout you all the damn time,
 all the damn
I keep dreaming bout you all the damn time
 all the goddamn timeme liquor and god
 me liquor and god
 me liquor and god
 me liquor and godme liquor and god
 me liquor and god
 me liquor and god
 me liquor and godme liquor and god
 me liquor and god

me liquor and god
