Group 1 Crew

I see a boy who falls when he should stand
But You see a man whos trying the best he can
I see in the mirror the wear of my mistakes
But You see my heart and just how much I've changed
I want to belive it
When dout trys to ransome me
I know that I need it
The faith to see what You seeWhat if the broken me
Is really a masterpiece
and everything wrong I see You made right
I know that your love redeems
You'll finish the work in me
I am made perfectly in Your eyes

I see a man who's scared to loose his dreams
But you see a lion ruling all he sees
I feel like an orphin that runs from all he knows
But you see a son Your begging to come home
Come homeWhat if the broken me
Is really a masterpiece
and everything wrong I see
You made right
I know that your love redeems
You'll finish the work in me
I am made perfectly in Your eyes

20 20All this time I've only seen
The cracks and bruses that made me me
But You made bueaty from my mess
And left behind Your fingerprints
What if the broken me
Is really a masterpiece
and everything wrong I see
You made right
I know that your love redeems
You'll finish the work in me
I am made perfectly in Your eyes
