

Don't Wake Me Up

Big & Rich

Verse

Candle light, red wine kiss
never knew it could feel like this.

Blown away will ???

You're everything that I miss.

I'd love to kiss you when the
sunrise breaks. But if your heart
won't let you stay

Chorus
Don't wake me up, before you go. If you gotta leave, I don't wanna know.

Let me sleep, tangled in the sheets

dreaming you're right there next to me.

Refrain
Don't wanna hear any footsteps on that floor. Don't even close my door.

Don't wake me, don't wake me,
don't wake me up (2x)

Verse
Started slow, now we're moving fast, lipstick stain on an empty glass.

You whisper close, in my ear

Oh, I'd love to stay right here.

Bridge
I don't wanna go when we lay down, will you be here when the sun come back around?

Chorus

Don't wake me up, before you go. If you gotta leave, I don't wanna know.

Let me sleep, tangled in the sheets

dreaming you're right there next to me.

Refrain
Don't wanna hear any footsteps on that floor. Don't even close my door.

Don't wake me, don't wake me,
don't wake me up (2x) yeahhh, yeahhh, yeahhh.

Chorus
Don't wake me up, before you go.

If you gotta leave, I don't wanna know.

Let me sleep, tangled in the sheets

dreaming you're right there next to me.

Don't wanna hear any footsteps on that floor. Don't even close my door.
Don't wake me, don't wake me,
don't wake me up (3x)
