

# Priceless

## Melanie Fiona

If I was a million miles away  
Could you promise  
That our love would be safe  
Oh  
And if a beautiful girl was in your face  
Would you remember  
Even remember my name  
I need to know right where you stand (Ohhh)  
Cuz I'd give up everything I have  
And baby for your love  
If that's what it takes to last  
Oh

I swear for you boy I'd go to extremes  
Cuz our love is priceless  
Our love is priceless (Woah-woah-woah)  
Take my car, take my home, take everything  
Cuz our love is priceless  
Our love is priceless

(Woah-woah-woah, oh oh 4x)  
Woah-woah-woah

If there's ever hurt inside your heart  
You'd better believe that  
You could run right into these arms  
Oh  
Nowhere could ever be too far  
For me to come get ya  
Cuz nothing can keep us apart  
I need to know that you feel the same (Oh)  
Cuz I'd sacrifice all that I've got today  
And baby for your love  
I'm down to go all the way

I swear for you boy I'd go to extremes  
Cuz our love is priceless  
Our love is priceless (Woah-woah-woah)  
Take my car, take my home, take everything  
Cuz our love is priceless

Our love is priceless

(Woah-woah-woah, oh oh) 4x  
ohh-ohh-ohh-woah

To the edge of the earth I'd go to  
Save you, that's what your girl supposed to do  
But I need to know that  
(You'd do the same if the tables were reversed, baby)  
Yeah, aint nothing I'd give up in this world for my (man)  
Ain't no use in tryna fight this  
Cuz this here love is priceless

I swear for you boy I'd go to extremes (to extremes)  
Cuz our love is priceless  
Our love is priceless (Woah-woah-woah)  
Take my car, take my home, take everything  
Cuz our love is priceless  
Our love is priceless

Woahhhh ohhhhh  
ohhhh  
ohh-ohh-ohhh-woah

I swear for you boy I'd go to extremes (to extremes)  
Cuz our love is priceless  
Our love is priceless (Woah-woah-woah)  
Take my car, take my home, take everything  
Cuz our love is priceless  
Our love is priceless
