

Skyline

Court Yard Hounds

What am I doing here
In such a lonely place?
Birds fly below
I'm high up in my cageWide awake again
Or am I dreaming?
Trains passing by
World spinning 'round my headThen I heard a sweet voice cry
Telling me, yeah, it's gonna be alrightI just look at the skyline
A million lights are looking back at me
And when they shine
I see a place I know I'll find some peace
I just look at the skylineI used to rush around
To keep busy in the day
Then we did up and drink
We might find something new to sayNo, I can't live this way
But then I heard that sweet voice cry
Telling me, yeah, it's gonna be alrightI just look at the skyline
A million lights are looking back at me
And when they shine
I see a place I know I'll find some peace
I just look at the skylineI look at the skyline
A million lights are looking back at me
And when they shine
I see a place I know I'll find some peace
I just look at the skylineWhat am I doing here
In such a lonely place?
