

Higher Vibration

Reef

[Incomprehensible]Hey, I won't grab your energy, no
So won't you do the same for me
So give it up, give it up, give it up, give it up, give it up
Hey, oh Lord, hey, I won't grab your energy, oh noBecause I'm looking for a higher vibration, no
Because I'm looking for a higher vibration
Yeah, oh, yeah, alright, oh come onHey, don't you tell me you can't feel this, yes, yes
When the rain came down but it was warm
You could see it in the green, my friend, yeah
So give it up, give it up, give it up, give it up, give it up
Alright, oh Lord, hey, you should give them
To your [Incomprehensible], my friendBecause I'm looking for a higher vibration
Because I'm looking for a higher vibration
Yeah, oh, yeah, alright, oh come onHigher, higher
Because I'm looking for a higher vibration, yeah
Because I'm looking for a higher vibration
Yeah, oh, yeah, alright, [Incomprehensible]So won't you give it to me
So won't you give it to me
So won't you give it to me
Give it to me, give it to me
