

# Oh, You Crazy Moon

Chet Baker

When they met, the way they smiled, I saw that I was through

Oh, you crazy moon, what did you do?

And when they kissed,

They tried to say that it was just in fun

Oh, you crazy moon, look what you've done Once you promised me, you know, that it would never end

You should be ashamed to show your funny face, my friend There they are, they fell in love,

I guess you think that you're smart

Oh, you crazy moon, you broke my heart Once you promised me, you know, that it would never end

You should be ashamed to show your funny face, my friend
