

# Strong As I Am

## The Prime Movers

Father, look in my eyes  
See me as I really am  
You made me, now take me  
Tell me how it feels now  
Behold, your flesh has come of age  
Forsake me, you break me

Strong as I am  
There's something about this thing that scares me  
Strong as I am  
There's something about this thing that dares me  
Strong as I am  
There's something about this thing that haunts me  
Strong as I am  
There's something about this thing that taunts me

Mother, let me heal you  
Your pain has lasted far too long  
Release it, it kills you  
See me as I feel you  
The love you would not share  
Is tired of waiting

Strong as I am  
There's something about this thing that scares me  
Strong as I am  
There's something about this thing that dares me  
Strong as I am  
There's something about this thing that haunts me  
Strong as I am  
There's something about this thing that taunts me

Will I leave them? I say no  
They ask me "will you leave us?"  
I say no, no

Sha sha sha am  
Sha sha sha am  
Sha sha sha am

Sha sha sha am

Sha sha sha am  
Sha sha sha am  
Sha sha sha am  
Sha sha sha am

Sha sha sha am  
Sha sha sha am  
Sha sha sha am  
Sha sha sha am

Sha sha sha am  
Sha sha sha am  
Sha sha sha am  
Sha sha sha am
