

Stuck On You

Hunters & Collectors

I've been hearing round the town
You've been out and getting round
Whether it's right or whether it's true
I'm stuck here and I'm stuck on you
Oh no, I heard you talk in your sleep
You keep your head down and you stare at your feet
You won't look up, but you won't look away
You give the same answers no matter what I say
No matter what I say
I've been hearing round the town
You've been out and messing round
Whether it's right or whether it's true,
I'm stuck here and I'm stuck on you.
Oh no, I heard you talk in your sleep
You keep your head down and you stare at your feet.
You won't look up, but you won't look away
You give the same answers no matter what I say
No matter what I say
No matter what I say
I've been hearing round the town
