

Last Mile of the Way

[Westlife](#)

i want you with me
when the ground starts to shake
i want you with me
each day when i wake and i hope you forgive me
all my mistakes
and yes, ill be with you
to the last mile of the way like day turns to night
stone turns to dust (yeah)
like life becomes memories
steel becomes rust pains just a lesson learned
well look back one day
and ill take you with me
to the last mile of the way oh yeah
to the last mile of the way to the last mile of the way its time to move on now
so dont be afraid
we should remember
the roles that we played whether the future
has dark or bright days
i will still love you
yeah to the last mile of the way to the last mile of the way to the last mile of the way
