Queens of the Stone Age

K L O N, Los Angeles, Klon radio
We play the songs that sound more like everyone else
Than anyone else
KlonHey alright, it's Kip Casper Klon radio, L.A.'s infinite repeat
How we feeling out there? How's your drive time commute?
I need a saga, what's the saga?
It's songs for the deaf, you can't even hear itDead blow with the life from the low
Ill be massive conquistador
Give me sword, show me the door
Metal heavy, shocked at the coreGimme toro, gimme some more
Gimme toro, gimme some more
Pressurize, neutralize
Deep fried, gimme some moreSpace flunky, four on the floor
Fortified with the liquor store
This one's down, gimme some more
Gimme toro, gimme some more
Gimme toro, gimme some more
Gimme toro, gimme some moreShrunken head, I love to adore
B movie, gimme some gore
Gimme toro, gimme some more
B movie, gimme some goreGimme toro, gimme some more
Gimme toro, gimme some more
Gimme toro, gimme some more
Gimme toro, gimme some more
