Vamps

Unlock lost story
let long nightmares pass
We've reached our turn now
to launch counter attacks
Your lies are slurring,
just go bite off your tongue
So shut those lips so dirty,
Come on show me what's rightMy will... your lives were sacrificed
your last will's justified
And I will let your souls
through heaven's gates
REPLAYCome on look closer
I've followed clues from the past
In doubt of your lies
I'll make you take them back
I don't need lasers
the x-ray's good enough
It's not a game we're playing
at the next stage let's fight*My will... your lives were sacrificed
your last will's justified
And I will find a new way
to get back your lost prideMy will... your lives were sacrificed
your last will's justified
And I will let your souls
through heaven's gates
