Crazy Train

The Waifs

Crazy train, rolling down that crazy track
Crazy train, rolling down that crazy track
Going to New Orleans and I aint comming backCrazy train, where do you think I'm bound
Crazy train, where do you think I'm bound
Bound for New Orleans
Gonna play blues in that blus townCrazy train, Steaming though that crazy night
Crazy train, Steaming through that crazy night
Got on this morn' and I'll be there by morning light
