

North West Three

Fatboy Slim

We went to see the sun go down on Primrose Hill
We went to see the sun go down on Primrose Hill
The Sunday evening sun go down on
The Sunday evening sun go down on
The Sunday evening sun go down on
Primrose Hill We went to see the sun go down on Primrose Hill
We went to see the sun go down on Primrose Hill
The Sunday evening sun go down on
The Sunday evening sun go down on
The Sunday evening sun go down on
Primrose Hill Never could be anything else
Never could be anything else
Never could be anything else
Never could be anything else We went to see the sun go down on Primrose Hill
We went to see the sun go down on Prim, Prim, Prim, Prim
The Sunday evening sun go down on
The Sunday evening sun go down on
The Sunday evening sun go down on We went to see the sun go down on Primrose Hill
The Sunday evening sun go down
On Primrose Hill, on Primrose Hill
On Primrose Hill, Primrose Hill
On Primrose Hill, on Primrose Hill
On Primrose Hill, on Primrose Hill
On Primrose Hill, on Primrose Hill
On Primrose Hill
