Sexy Lady

New Edition

Oh, Oh I
Shoo do do do
Hey yeah
Sha da da
Ooh yeah[Verse 1]
Girl
I can't wait to get you by yourself
Girl
Cause what I about to do ain't for nobody else
See'mon girl
Just the scent of you makes me want to rush
Girl I've got a plan
So sit back and trust your man
I know you're wonderin' what I'm thinkin' of
And I won't stop until you've had enough
Can't wait until my lips and your lips touch
In between your thighs
Is where I've got my eyes[chorus]
Sexy lady (come here girl)
Drive me crazy(baby girl)
I'm so open (stop it girl)
Keep it goin' (baby girl)
Sexy lady (come here girl)
Drive me crazy (baby girl)
I'm so open (stop it girl, stop it girl)[Verse]
Girl
Your lovin'like we're on a movie screen (shh)
Can't get too loud the neighbors callin' police
See'mon girl
A man like me could get locked up for seducing you
And if pleasing you is a crime than I'll do the time
I know you're wonderin' what I'm thinkin' of
And I won't stop until you've had enough
Can't wait until my lips and your lips touch
In between your thighs
Is where I've got my eyes[Chorus][Bridge]
Can I be your go to
When you need a fix
Can't nobody hold you

Make you feel like this
Baby I just want to know you
Be a playa on your team
Go ahead and bite the pillow
'Cause I know your about to scream[Chorus]All I want to do
Is lay it out for you
Like no other man can do
You know you can get it girl
All I want to do
Is lay down next to you
Tonight I'm gonna prove
You know you can get it girl
Come here girl
Baby girl
Stop it girl
Baby girl
Come here girl
Baby girl
Stop it girl
Stop it girl
