When You Wake Up

Dead by April

I can see your hurt, see you're sorry.
I know the phase, I know the story.
When hope is fading out,
You can trust me, I'll be there.
The pain is screaming loud.I will wake, to be watching over you.
Don't you worry, I'm never taking my eyes off you.
Fall asleep now.
I'll be there when you wake up.
Don't you worry, I will be there.
Yeah, yeah, yeah; When you wake up...I try to forgive, I try to forget.
I try to move on, try to live.
When hope is fading out,
You can turn to me and say,
This is more than I can possibly take.I will wake, to be watching over you.
I'm awake, I'm never taking my eyes off you.
Fall asleep now.
I'll be there when you wake up.
When you wake up...Keep fighting every day,
It takes a lot of time,
And it's only in your mind.
Keep fighting every day,
Look inside yourself be strong.
Because from here, it won't take long.
Until you wake up...
Until you wake up...
Until you wake up, hey.I will wake, to be watching over you.
I'm awake, I'm never taking my eyes off you.
Fall asleep now.
I'll be there when you wake up.
Don't you worry, I will be there.When you wake up...
When you wake up...
