Illuminati Is Machine

Agent Steel

ONE WORLD
NEW ORDER
Illuminati uses youTHEIR JURY
THEIR JUSTICE
But for the chosen fewWho is the great dictator
Who oils the grand machine
Who lubes the wheels of progress
With blood drawn from your veinsONE WORLD
NEW ORDER
Illuminati poisons youNEW WORLD
ONE ORDER
Notice? Do you?Satan gave himself a name
Mason, exposed controls the gameWHO'S REAPING
FROM RUIN
What is the master plan?WON'T MATTER
NOT TO YOU
If you are just a manYou dragged the stones to Giza
But they built the pyramids
On your back shouldered greatness
Not you just what you didYOU'RE REAPING
YOUR RUIN
This is the master's planTO USE YOU
DISCARD YOU
As he will every manSatan named himself a place
Babylon known as the USA[Chorus:]
Illuminati dominates
You build your place in hell
You're not aware that you create
Their paradise-your frozen cellNEW WORLD
ONE ORDER
Illuminati is machineYOUR WORTH
IN RUIN
You pave their streets with dreamsWith trust you're made the victim
Atop mass graves they revel
Free mason buries you
Free mason buries you
