Let Me Be Your Man

The Cog Is Dead

I've been waiting for you
I wish you could too
Had you too long to lay back now
First time you caught my eye
I knew I want to spend my life
Making you feel like you shouldI'm not trying to make you do
Nothing you don't want to
But I said I love you
My love depends on you
It grow, it flows, it goes by you
Won't you let me be your manSo if you'd only tell me it you'd only tell me
Tell me that you love me tell me that you love me
I'll be the luckiest man alive
I just keep on waiting, anticipating
'Til the day you say you're mineI'm not trying to make you do
Nothing you don't want to
But I said I love you
My love depends on you
It grow, it flows, it goes by you
Won't you let me be your manWon't you let me be your man
Let me be your man
Won't you let me be your man
