

Havin A Party

Nu Flavor

Ooh, ooh, ooh, oh yeah
Ooh, ooh, ooh, yes, ooh Each time n' time and era see
And the old school jams are bumpin' in the G's
We gonna hear the li'l harmony
We party peaceful, just wanna have a good time So everybody come on let's party
Gotta get up and get your groove on
And if it's right, we'll party all night
We gonna do this till the break of dawn We're havin' a party
Everybody get up and dance
We gonna have a good time
We're havin' a party
Everybody get up and dance
Ya ya ya ya ya To all you ladies lookin' oh so fine
We gonna kickin' a li'l somethin'
That will have you bumpin'
So all you fellas don't you hesitate Don't need you to wait
So grab a girl and get the party started So everybody come on let's party
Gotta get up and get your groove on
And if it's right, we'll party all night
We gonna do this till the break of dawn We're havin' a party
Everybody get up and dance
We gonna have a good time
We're havin' a party
Everybody get up and dance
Ya ya ya ya ya Ooh, ooh, ooh, yeah
Don't care if you're Black or Asian
Latino or Caucasian, no girl, I like We're all apart, one big family
So if you come dance
So let me hear you say
Yeah, yeah
(Yeah, yeah) Let me hear you say, yeah, yeah
(Yeah, yeah)
Let me hear you say, ooh yeah
(Ooh yeah)
Let me hear you say, ooh yeah
(Ooh yeah) So everybody come on let's party
Gotta get up and get your groove on
And if it's right, we'll party all night
We gonna do this till the break of dawn We're havin' a party

Everybody get up and dance
We gonna have a good time
We're havin' a party
Everybody get up and dance
Ya ya ya ya ya ya
