Don't Leave Me Now (Re-recorded 2010)

Bad Boys Blue

What have I done ?
I feel my world is falling apart.
What can I do to find a way to your heart ?
What have I done ?
I feel abandoned and so alone.
I'm on my own. What have I done to you ?
Why do you treat me so cruel ?
I'm down and out. And so full of doubt.
Cause I was given my heart.
You're gonna break it in two.
So what can I do. It isn't right.
You'd better make up your mind.Don't leave me now. Don't go.
Don't you run away. One day you'll find.
We're two of a kind.
Don't leave me now. Baby.
Don't go throw my love away.
Want you to stay. What more can I say ? Oh baby!
Don't leave me now.
Don't leave me now.What have I done ?
There is no answer inside your eyes.
What can I do ?
Is every smile just a lie ?
What have I done ?
I thought that loving you was right. But now I find.
What have I done to you.
I feel that I'm losing you.
Don't let it die, we've gotta try.
Just once again for a while.
Cause baby it's up to you. So what can I do?
And who's gonna care whenever I'm not there?
