

Dr. Wu (Alternate Take)

Steely Dan

Katy tried, I was halfway crucified
I was on the other side of no tomorrow
You walked in and my life began again
Just when I'd spent the last piaster I could borrow
All night long, we would sing that stupid song
And every word we sang, I knew was true
Are you with me Dr. Wu
Are you really just a shadow
Of the man that I once knew
Are you crazy are you high
Or just an ordinary guy
Have you done all you can do
Are you with me doctor? Don't seem right, I've been strung out here all night
I've been waiting for the taste, you said you'd bring to me
Biscayne Bay where the Cuban gentlemen sleep all day
I went searching for the song, you used to sing to me
Katy lies, You could see it in her eyes
But imagine my surprise when I saw you
Are you with me Dr. Wu
Are you really just a shadow
Of the man that I once knew
She is lovely yes she's sly
And you're an ordinary guy
Has she finally got to you
Can you hear me doctor? Are you with me doctor?
Can you hear me doctor?
Are you with me doctor?
Can you hear me doctor? Are you with me doctor?
Can you hear me doctor?
Are you with me doctor?
