

Loathe

Rev Theory

I can't deny it, I fucking like it
It brings the confidence and courage that I lost
I turn into it, it helps me through it
I lie awake and contemplate it all
You can't break me
Taking hold
Of it all
I've finally come straight down
I can't dent it I lie and loathe (loathe)
I know I hate you, I can't escape you
You bring the emptiness and nothing I've become
I can't resist it, I wouldn't miss it
It's finally coming out of the darkness and the cold
Loathe, loathe, you fucking loathe, you fucking loathe
Loathe, you fucking loathe, you fucking loathe
