

What Difference Does It Make?

Face to Face

All men have secrets and here is mine
So let it be known
We have been through hell and high tide
I can surely rely on you? And yet you start to recoil
Heavy words are so lightly thrown
But still I'd leap in front
Of a flying bullet for you So what difference does it make?
So what difference does it make? It makes none but you have gone
And you must be looking very old tonight
The devil will find work for idle hands to do
I stole and I lied and why? Because you asked me to But now you make feel so ashamed
Because I've only got two hands
Well, I'm still fond of you So, what difference does it make? It makes none but you have gone
And your prejudice won't keep you warm tonight
The devil will find work for idle hands to do
I stole and I lied, and why? Just because you asked me to But you know the truth about me
You won't see me anymore
I'm still fond of you So no more apologies, no more apologies
I'm too tired, I'm too sick and tired
And I'm feeling very sick and ill today
But I'm still fond of you Oh, ho, oh, oh, my sacred one, oh
