

# That's The Way Love Goes (Macapella Version)

Janet Jackson

Like a moth to a flame  
Burned by the fire  
My love is blind  
Can't you see my desire  
That's the way love goes Like a moth to a flame  
Burned by the fire  
My love is blind  
Can't you see my desire  
That's the way  
Like a moth to a flame  
Burned by the fire  
That's the way  
My love is blind  
Can't you see my desire  
That's the way love goes  
Like a moth to a flame  
Burned by the fire  
That's the way love goes  
My love is blind  
Can't you see my desire (that's the way, that's the way, that's the way love goes) Come with me don't you worry  
I'm gonna make you crazy  
I'll give you the time of your life  
I'm gonna take you places you've never been before  
And you'll be so happy that you came  
Oh I'm gonna take you there, ooh  
That's the way love goes  
That's the way love goes  
That's the way love goes  
That's the way love goes  
Don't mind if I light candles  
I like to watch us play and baby I've got on what you like  
Come closer baby closer reach out and feel my body  
I'm gonna give you all my love  
Oh sugar don't you hurry you've got me here all night  
Just close your eyes and hold on tight  
Oh baby don't stop don't stop go deeper baby deeper  
You feel so good I'm gonna cry Oh I'm gonna take you there, ooh  
That's the way love goes  
That's the way love goes

That's the way love goes  
That's the way love goes  
That's the way love goes  
That's the way love goes  
    Don't you know  
    Like a moth to a flame  
    Burned by the fire  
    My love is blind  
Can't you see my desire  
    Like a moth to a flame  
    Burned by the fire  
    My love is blind  
Can't you see my desire  
That's the way, that's the way, that's the way, that's the way, that's the way, that's the way  
    That's the way love goes  
That's the way, that's the way, that's the way, that's the way, that's the way, that's the way  
    That's the way love goes  
    That's the way love goes  
    That's the way love goes  
    That's the way love goes  
That's the way love, that's the way love, that's the way love, that's the way love, that's the way love, that's the  
    way love,  
    That's the way love goes
