I feel cold like, the deepest Winter night, whenever you are not by my side,

Ive got all the time, to always make you mine, whenever you come and hold me tight,

Stay, wont you stay with me?.

Stay, cuz youre all i need,

Stay, baby please!

I still think of you every single day,

And i wonder if you feel the same?

I want you to stay,

Dont leave me leave me baby,

I want you to stay
