Let Me Go, Rock 'N' Roll

[Kiss](#)

Rock 'n' roll
Baby gets tired, everybody knows
Your mother tells you, baby has to show
Yeah, yeah
Let me go'Cause baby's got the feelin'
Baby wants a show
Baby, won't you tell me
Baby, rock 'n' roll
Yeah, yeahI never knew I needed a baby like you
I never knew I needed you like I do
Yeah, yeah
Let me go'Cause baby's got the feelin'
Baby wants a show
Baby, won't you tell me
Baby, rock 'n' roll
Yeah, yeahYou try so hard to please
You get me hard you know
Baby, won't you squeeze
Let me go
Let me go
Let me go'Cause baby's got the feelin'
Baby wants a show
Baby, won't you tell me
Baby, rock 'n' roll
Yeah, yeah
