

# Sweet Leilani

## Bing Crosby

Sweet Leilani  
Heavenly flower  
Nature fashioned roses kissed with dew  
And then she placed them in a bowerIt was the start of you  
Sweet Leilani  
Heavenly flower  
I dreamed of paradise for twoYou are my paradise completed  
You are my dream come trueSweet Leilani  
Heavenly flower  
Tropic skies are jealous as they shine  
I think they're jealous of your blue eyesJealous because you're mine  
Sweet Leilani  
Heavenly flower  
I dreamed of paradise for twoYou are my paradise completed  
You are my dream come trueYou are my paradise completed  
You are my dream come true
