

# How Do You?

## Radiohead

He's bitter and twisted  
He knows what he wants  
He wants to be loved  
And he wants to belong  
He wants you to listen  
He wants us to weep  
And he was a stupid baby  
Who turned into a powerful freak  
But how do you?  
How do you?  
How do you?  
He lives with his mother  
But we show him respect  
He's a dangerous bigot  
But we always forget  
And he's just like his daddy  
'Cause he cheats on his friends  
And he steals and he bullies  
Any way that he can  
But how do you?  
How do you?  
How do you?
